

Checklist for *Storify*

_____ I included at least 5 websites or links that give information about why girls from developing and underdeveloped countries should have access to education (or why they do not have access).

_____ I clearly stated my opinion and used evidence to support my answers

_____ I used appropriate language (purpose, tone, audience)

_____ I revised my writing and made necessary technical corrections (spelling, vocabulary, grammar, syntax)

_____ I used different types of media within my *Storify* (images, videos, websites, social media) to inform my audience

_____ I used evidence to explain why some societies/territories may not have access to education compared to my own society/territory
