

ACTION PLAN

To contribute to the goal of preparing reflective practitioners, student teachers will write an Action Plan at the end of first, second, and third field experience with input from their cooperating teacher and/or the University supervisor. The Action Plan synthesizes each field experience's evaluation, links each field experience to the next, establishes goals for improvement, and forms an agenda for discussion between the student teacher, the cooperating teacher and University supervisor at the beginning of the subsequent field experience. **For First Field Experience only (excluding Physical Education students), the Action Plan will be completed during the co-requisite Professional Seminar course.**
