To whom it may concern:

I have had the pleasure of welcoming Ms. Giulia Lato at Carlyle Elementary School for her first field experience, from November 25<sup>th</sup> to December 12<sup>th</sup>, 2013. During this time, she demonstrated leadership, enthusiasm and much dedication towards all students and always offered additional help to the Carlyle team.

As the field experience approached its end, I encouraged all the student teachers assigned to Carlyle to consider volunteering, whenever they have free time, in an elementary school. Volunteering would provide them with additional exposure to education in diverse communities as well as to continue building on their positive experience and professional growth as future teachers. Ms. Giulia embraced this advice and decided to inquire about volunteering at Carlyle.

Prior to leaving, Ms. Giulia approached Mrs. Angela Chronis, one of my teachers, to ask if she could return to volunteer in the grade 4 class. From February 10<sup>th</sup> to May 5<sup>th</sup>, 2014, Giulia Lato, returned to Carlyle Elementary to volunteer every Monday in the grade 4 class. Her commitment to volunteering weekly in grade 4, as well as partaking in student life and school activities was displayed in her active participation from day one.

It was a pleasure having Giulia volunteering for 60 hours. The students benefited and appreciated Ms. Lato's help, passion and caring approach during her stay at Carlyle.

Should you require further information regarding Ms. Giulia Lato's volunteer work, please do not hesitate to contact me.
